Provisional Team Announcements Australian Fly Fishing Teams 2021

The Board of Fly Fish Australia Incorporated is pleased to announce the provisional team selections for the Australian Fly Fishing Teams to compete at International Fly Fishing Championships to be held in 2021. Angling Members are selected in ranking order in accord with the selection policies and eligibility procedures defined in the FFA Constitution. Captains and Managers are appointed by the Board through an application process. Expressions of interest for the appointment of Captains and Managers will be called for once the teams have been finalised.

Please take note the offer and acceptance of positions on teams will be subject to the international circumstances prevailing next year and arising in particular from the Covid-19 pandemic. The dates and locations of events are current as at the date of this announcement. The offers only apply to the 2021 international competition year.

Team announcements are provisional subject to availability of anglers and formal acceptance of the offer by signing the representative team agreements by team members. The selections are shown in ranking order. If members are unavailable then subsequent offers are made in order of ranking and availability. Members who have qualified for more than one team but in accord with the rules are only allowed to compete in one event are shown with an asterisk *. Those members will need to nominate their preferred event at the time of acceptance of the agreement.
