Team Announcements Australian Fly Fishing Teams 2022

41st World Fly Fishing Championships, Spain
Ladies World Championship, Comano Italy
Commonwealth Teams (Mens and Ladies) Islay, Scotland
7th World Masters Fly Fishing Championships, Comano, Italy

The Board of Fly Fish Australia Incorporated is pleased to announce the team selections for the Australian Fly Fishing Teams to compete at the World (Seniors and Masters) Fly Fishing Championships and Commonwealth Teams to be held in 2022. Angling Members are selected in ranking order in accord with the selection policies and procedures defined in the FFA Constitution. Captains and Managers are appointed by the Board through an application process.

Team announcements are subject to availability of anglers and formal acceptance of the offer by signing the representative team agreements by team members. The selections are shown in ranking order. If members are unavailable then subsequent offers are made in order of ranking and availability. It is noted that there are restrictions on multiple team representation in any one year (Constitution Annexure 2 – Selection Policy and Procedures) and in the FIPS-Mouche Rules. Members who may have qualified for more than one team but in accord with the rules are only allowed to compete in one event, have nominated their preferred event at the time of acceptance of the agreement.
